COVERAGES

Coverage options and limits will differ between the product levels. While the limits and coverage options are different between products they do not differ between monoline and package policies.

Section I Coverages

Coverage A — Dwelling

- Provides coverage against sudden and accidental direct physical loss to property as indicated below, provided the cause of loss is not excluded by the policy.
- The dwelling on the ‘residence premises’ shown in the Declarations Page, including structures attached to the dwelling; and
- Materials and supplies located on or next to the ‘residence premises’ used to construct, alter or repair the dwelling or other structures on the ‘residence premises’
- For HO6 — Ten percent coverage is automatically included for both monoline and package policies. The amount of coverage can be increased but not decreased.

Coverage B — Other Structures

- Provides coverage against sudden and accidental direct physical loss to property as indicated below, provided the cause of loss is not excluded by the policy.
- Other structures on the ‘residence premises’ set apart from the dwelling by clear space. This includes structures connected to the dwelling by only a fence, utility line, or similar connection.

Coverage C — Personal Property

- Provides coverage for direct physical loss to the property owned or used by an ‘insured’ while it is anywhere in the world provided the loss is due to a covered peril unless excluded in the policy.

Coverage D — Loss of Use

- The limit of Liability for Coverage D is the total limit for the following:
  - Additional Living Expense — If a loss covered under Section I makes that part of the ‘residence premises’ where you reside not fit to live in, we cover any necessary increase in living expenses incurred by you so that your household can maintain its normal standard of living.
  - Fair Rental Value — If a covered loss makes that part of the ‘residence premises’ rented to others or held for rental not fit to live in, we cover the fair rental value of such premises less any expenses that do not continue while it is not fit to live in.
  - Civil Authority Prohibits Use — If a civil authority prohibits you from use of the ‘residence premises’ as a result of direct damage to neighboring premises by a peril insured against, we cover the loss as provided in Additional Living Expense and Fair Rental Value above.
Section II Coverages

Coverage E — Personal Liability

- If a claim is made or a suit is brought against an ‘insured’ for damages because of ‘bodily injury’ or ‘property damage’ caused by an ‘occurrence’ to which this coverage applies, we will:
  - Pay up to our limit of liability for the damages for which an ‘insured’ is legally liable
  - Provide a defense at our expense by counsel of our choice, even if the suit is groundless, false or fraudulent. We may investigate and settle any claim or suit that we decide is appropriate.

Coverage F — Medical Payments to Others

We will pay the necessary medical expenses that are incurred or medically ascertained within three years from the date of an accident causing ‘bodily injury’.

- Medical expenses means reasonable charges for medical, surgical, x-ray, dental, ambulance, hospital, professional nursing, prosthetic devices and funeral services
- This coverage does not apply to the insured or regular residents except ‘residence employees’.

Identity Fraud Expense
When the optional Identity Fraud Expense endorsement is attached to the policy, $15,000 of coverage is available to pay for expenses incurred by an insured as a direct result of any one identity fraud which is both commenced and first reported while this coverage is continuously in effect.
- Such expenses include the costs for notarizing fraud affidavits or similar documents; certified mail sent to law enforcement, financial institutions and credit agencies; lost wages as a result of time taken off from work up to the maximum shown in the endorsement; loan application fees for re-applying for a loan when the application is rejected solely because the lender received incorrect credit information; and reasonable attorney’s fees incurred to defend lawsuits brought against the insured and to remove criminal or civil judgments.

Applicability is based on policy form, year of construction, number of families, usage, and coverage.
